

WORKSHOP OBJECTIVES > To help you think in a new way about partnership development. > To introduce you to a fresh way to do partnership development.

When I say PD is not about the money... What are you thinking?

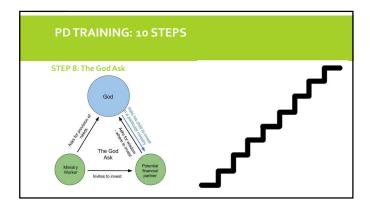

PD TRAINING: 10 STEPS STEP 1: Prayer The P in PD reminds us that our #1 partner in the PD journey is God Himself! STEP 2: Biblical Perspective "The thing that will make you or break you will be whether or not you have really studied the Scriptures and gained a rock-solid conviction that continuing to personally ask others to invest in you and your ministry is good, is right, and is biblical."

-- The God Ask (p. 58)

STEP 3: Record-keeping The on-going process of keeping track of all aspects of your PD. • Excel spreadsheet (Work truck) • TntConnect (Cadillac) • https://www.tntware.com/tntconnect/downloads/ STEP 4: Identifying Prospects You will need at least 100 potential supporters to reach a part-time budget and at least 200 for full-time.

UNPACKING 'PD IS MISSION'

Highlight the global mission need and how ISI addresses that in a unique and strategically effective way via our ministry model.

THE HARVEST IS PLENTIFUL

 Estimates are that 2 billion of the world's 7 billion inhabitants have never heard of Jesus Christ.

THE HARVEST IS PLENTIFUL

- Estimates are that 2 billion of the world's 7 billion inhabitants have never heard of Jesus Christ.
- 97% of the least evangelized world resides in the 10/40 Window.
- Many countries in the 10/40 window are closed to missionary access.
- At least 60% of international students are from these least evangelized, limited access countries.

UNPACKING 'PD IS MISSION'

- Highlight the global mission need and how ISI addresses that in a unique and strategically effective way via our ministry model.
- Invite potential supporters to invest in that mission on a monthly financial basis through your ministry to international students with ISI.
- Pray and let the Spirit bring clarity and commitment in their response.

UNPACKING 'PD IS MISSION'

- We always enter an 'ask' appointment 'on mission.'
- I.e. our concern is to on-board people in the task of reaching a lost world, leaving the money in God's hands. Yes, we ask for a monthly financial commitment to our work with ISI so that the world is reached, leaving the decision about support in God's hands.
- If we approach PD in this way, the financial burden is lifted and the real reason we are in Starbucks® or someone's home is magnified.

Bottom line:

It's not about the money, it is about discipling friends in the Great Commission.
